The logo for GIPS (Gayatri Institute of Paramedical Sciences) is a blue circle with the letters "GIPS" in white, set against a background of blue geometric shapes.

GIPS

Message from the Founder Secretary

Sj. Sibnarayan Sathpathy

Secretary, Gayatri Group of Institution

Dear Parents and Students,

The Gayatri Institute of Paramedical Sciences (GIPS), Sambalpur is committed to providing its students an unparalleled educational experience in lab technological practice for identification of diseases through excellent teaching and diagnostic experience / training in the collaborated labs/ Hospital. Thus putting each student on the path of success.

Gayatri Institute of Paramedical Sciences, Sambalpur which provides quality education with the support of excellent healthcare infrastructure and highly qualified professionals/doctors, to restore health of society.

Gayatri Institute of Paramedical Sciences, Sambalpur is the temple of learning, which not only preserves our time tested myths, healthy traditions and great moral values of the past, but also opens our eyes to a vast ocean of scientific and technical progress which is being brought to light with each passing day in our campus. The atmosphere in our campus is secure, cordial and perfectly suited to all-round development of the intellectual skills of students.

I heartily welcome students to our college and assure to build them as a valuable medical asset of our nation.

Jai Maa Gayatri.

Secretary
Gayatri Institute of Paramedical Sciences
Sambalpur

Message From The Founder Director

Prof. Dr. A.K. Sathpathy

Director, Gayatri Group of Institution

At the outset I would like to express my Deep gratitude before all stake holders and my Managing Committee for establishing trust and confidence in building and nourishing the infant unit from birth till date. Within a short span of five years GIPS has proved its unique identity as a pioneer institution in Odisha.

The success behind such a growth is our planned academics where the skill development of the students is given top priority. The real life assignment may be tedious but it explores a wide dimension into the hard reality of the profession. As a result we have achieved cent percent admission.

The placement records of last two years especially getting job in Govtsector has inspired us to focus more on academics. During the pandemic Covid-19 our students have become instrumental to entire health sector. The institution not only focuses on academics but also on personality development programme, Co-curricular activities, sports, community service like, Health camp, Blood Donation camp etc. All these combinely build up the overall personality of a student and finally makes him employable.

The experience and expertise of 35 yrs of running different technical and professional institutions created by the promoting body is a cohesive force behind the success of GIPS.

But it is the beginning. We have to march ahead..

We have to achieve a long term goal..

We will bring smile on the lips of thousands

And that day is not so far when we will proudly say that we have achieved real success.

Dr Ashok Kumar Satpathy

Founder GIPS

ASSIGNMENT BASED PRACTICAL EXPOSURE PROGRAMME

Objective of practical on job training is to provide to students the feel of the actual working environment and to gain practical knowledge and skills, which in turn will motivate, develop and build their confidence. Practical exposure is also expected to provide the students the basis to identify their professional area of interest. For development of technical skill & knowledge of DMLT students, GIPS have designed a curriculum for internship training (Assignment based practical exposure) programme in collaboration with some reputed hospitals and clinics located in and around Sambalpur city which is a value addition to the students studying in GIPS. The Collaborated Health Organisations are:

VIVEKANANDA HOSPITAL

BSR DIAGNOSTIC

SANJIVANI HOSPITAL

ASTHA NURSING HOME

LIFE LINE DIAGNOSTIC

AMRITA NURSING HOME

HEALTH CAMP :

As a part of Social Corporate Responsibility, GIPS organizes free health check camps dedicated towards ensuring the health of rural area people. Free medical camps are conducted in different villages in and around Sambalpur from time to time where students of GIPS actively participate in many pathological and biochemical screening of patients.

EXPOSITION :

To create awareness and to expose the technical skills regarding DMLT, GIPS organises annual Expo programme where thousands of students and teachers from different colleges and school witness the expertises endorsed by our DMLT students.

HOSTEL :

The college comprise three well furnished Boys Hostel & Five Girls Hostels within the City. The students are staying in a homely atmosphere with personal care & guardianship. The hostel mess is managed by student representative committee along with hostel superintendent.

FACULTY :

Teachers are the major asset of any institution. We have appointed highly qualified and dedicated faculties of outstanding merit, experience and excellent teaching skills as well as abilities from balance mix of academicians, researchers and professionals.

LABORATORY :

The institution has adequate numbers of sophisticated & well equipped laboratories full fillings the smooth running of each & every practicals.

CLASS ROOM :

LIBRARY :

A Library can be considered a store house of knowledge. It is the mirror of an institution. It plays a very important role in promoting the progress of knowledge. Our library has a huge collection of books & magazines. To provide current information the library has online journal, e-books, collection of annual report & project reports on health aspects.

RECREATION :

Every moment of leisure should be utilized in a creative manner. The institution realizes the value of integral education and has been established extracurricular approach encourage overall improvement & personality building students through social interaction, soft skill programme, yoga, training programme, seminar, awareness programme, picnic etc.

TRANSPORT :

The institution provides its own transport facility. Seven busses run regularly to serve the students. The buses start their running regularly except holidays from Sambalpur city to the institution & vice versa.
